200-03/2011-VAS/Pt(Vol 2)

Dated: 16th November, 2017

Subject: Monetization of USSD Gateway-reg

BSNL's own USSD gateway is setup at Chandigarh for North & East Zone and at Chennai for South & West Zone by M/s Spice Digital and M/s SixDee(6d) respectively. To increase revenue of BSNL through monetization of USSD Gateway by offering it to 3rdparty VASPs (similar to the way SMSC capacity are offered to various SMS aggregators) Competent Authority has approved the following commercials,

TPS Required	Tariff per TPS per month(INR)(GST extra)
<= 50 TPS	10,000
>50TPS	8,000

The VASP is to be billed minimum for 50TPS per month per USSD G/w based on the above table and all monthly payment is to be collected in advance. Any additional bandwidth beyond 50TPS will be charged @Rs.8000/- per TPS per month (GST extra).

The agreement containing other terms & conditions for provision of said service will be signed by VAS cell, Corporate office. Prospective VASPs agreeing for above commercials may approach VAS cell, Corporate Office, New Delhi with their proposal/request.
